Tiffany D. Gehrke secures and protects intellectual property rights for a broad range of clients. In this role, her prior experience as a software engineer gives her valuable insider perspectives into clients' technologies. Ms. Gehrke understands the value of clients' intellectual property rights and assists those clients in obtaining and protecting those rights in the U.S. and throughout the world. Ms. Gehrke enforces clients' intellectual property rights through litigation in state and federal courts, through proceedings before the USPTO, and through other dispute resolution forums.

In 2016, Ms. Gehrke was named to the third annual list of Litigation Trailblazers and Pioneers published by the *National Law Journal*, a list which identifies litigation professionals who bring about meaningful change through their work. She has also been selected for inclusion in the *Illinois Rising Stars*® each year since 2013, featuring outstanding young attorneys in the state. In 2017, Ms. Gehrke was designated as an "Emerging Lawyer" by her peers, less than 2% of all lawyers licensed in each state have received the distinction. She was also named on the *Illinois Super Lawyers*® list in which only 5% of the lawyers in the state are recognized annually.
