---

Paul E. Bulow provides clients with a wide range of trademark services, focusing on the prosecution and maintenance of U.S. and international trademark portfolios. Mr. Bulow has experience working with clients of all sizes and has a versatile approach tailored to meet each client's needs, from preparing documents for legalization and filing to tracking the status and deadlines of global filing projects. Mr. Bulow also specializes in reviewing and analyzing search reports, conducting online research for clearance and enforcement purposes, and investigating third party infringement.

### Practices

- Trademarks

### Background and Credentials

Mr. Bulow earned a M.A. in Spanish linguistic theory from Northern Illinois University and earned a B.A. in Spanish language from Augustana College. Prior to joining the Firm, Mr. Bulow provided legal support for the prosecution of domestic and foreign trademark applications.
