Practices

- Patent Prosecution

Industries

- Industrial & Mechanical Technologies

Education

- Illinois Institute of Technology (B.S.)
 - Aerospace, Aeronautical and Astronautical Engineering

Background and Credentials

Prior to joining Marshall Gerstein, Brian worked at two IP law firms in Chicago where he was a Patent Engineer and a Law Clerk. His previous IP law experience focused on patent prosecution, both domestic and foreign. Brian received his B.S. in Aerospace, Aeronautical and Astronautical Engineering from Illinois Institute of Technology. He is currently pursuing his J.D. at DePaul University College of Law.
