Cassie brings nearly half a decade of experience as a Prosecution Paralegal. For Marshall, Gerstein & Borun LLP's biotechnology & life sciences clients she works within the areas of U.S., PCT, and foreign patent prosecution. She has experience researching U.S. and foreign patent issues and patent law for attorneys; performing assignment and patent family searches related to due diligence; assisting clients with tracking the status of their patent portfolios; organizing prior art for disclosure; and meeting the formalities requirements set by foreign and U.S. jurisdictions.

In her spare time, Cassie crochets and crafts.
