# Kevin Zhu

Technical Specialist

Tel 312.423.3468
kzhu@marshallip.com

Kevin is a Technical Specialist within Marshall Gerstein's Electrical & Computer Technologies Group. He leverages his technical background across various fields of computer engineering, computer science, and law to solve challenging problems for clients effectively and efficiently.

## Practices

- Patent Prosecution

## Industries

- Electrical & Computer Technologies

## Representative Experience

- Algorithms
- Artificial intelligence
- Autonomous vehicles
- Computer architecture
- Computer vision
- Electric vehicle technologies
- Embedded systems
- Internet of Things
- Machine learning
- Networking
- Robotics

## Background and Credentials

Kevin earned his B.S. and M.S. in Computer Engineering at Northwestern University. Prior to joining Marshall Gerstein, he was a firmware validation engineering intern at Tesla Motors where he designed and built automated testbenches to validate software and hardware performance of new firmware releases.

Kevin is fluent in English and Chinese.
