

Michael R. Anderson

Associate

Tel 312.474.9566
manderson@marshallip.com

Michael focuses his practice on domestic and international patent preparation and prosecution within Marshall Gerstein's Electrical & Computer Technologies Group. He provides a holistic approach to portfolio management and intellectual property strategy development, drafts opinions on invalidity and non-infringement issues, and advises on post-grant review proceedings.

Michael's hobbies include experiencing Chicago's theater scene, operas, and classical music performances. He also plays board games and enjoys camping.
